

## Easterseals NH Military & Veterans Campus Newsletter

---

Dear Hannah,

I am excited to introduce the newsletter for our special Easterseals NH Military & Veterans Campus here in Franklin. The last month has been a whirlwind, but one thing is for sure, I'm incredibly grateful to be stepping into the role of Interim Director.

Over the past few weeks, I've been listening, observing, and getting to know the people and energy that make this campus what it is. There's so much heart here—and so much potential. We have a lot of activities, programming, and gatherings in the works, all designed to strengthen connection and create more opportunities for our military members, Veterans, first responders, and their families.

Community is at the center of everything we're building. My goal is to help make this campus a place where people feel supported, engaged, and proud to belong—whether you live here, work here, or visit regularly.

I'm looking forward to getting things going, meeting more of you, and building something meaningful together.

See you around campus,

**Ana McKenna**
